## President's Corner

**Hello, Tulsa Branch!** Thank you so much for entrusting me with this honor in serving as your branch president. I hope this upcoming year will be full of informative and exciting programs to advance our mission statement.

**Since AAUW's** founding in 1881, our members have examined and taken positions on the fundamental issues of the day--educational, social, economic, and political.

**Remember to vote** in the upcoming mayoral primary June 11. Also, June is the Equal Pay Act's 50th anniversary. One of AAUW's goals for 2013 and beyond is getting Congress to pass the Paycheck Fairness Act.

**Again,** I'm so looking forward to serving you, our wonderful Tulsa Branch members!

*AAUW advances equity for women and girls through advocacy, education, philanthropy and research.*

AAUW, founded in 1881, is open to all graduates who hold the associate's, baccalaureate or higher degree from a regionally accredited college or university.

*In principle and in practice, AAUW values and seeks a diverse membership.*

*There shall be no barriers to full participation in this organization on the basis of gender, race, creed, age, sexual orientation, national origin, disability, or class.*

**Our Value Promise:**

*"As a member of AAUW, you belong to a community that breaks through educational and economic barriers so that all women have a fair chance."*

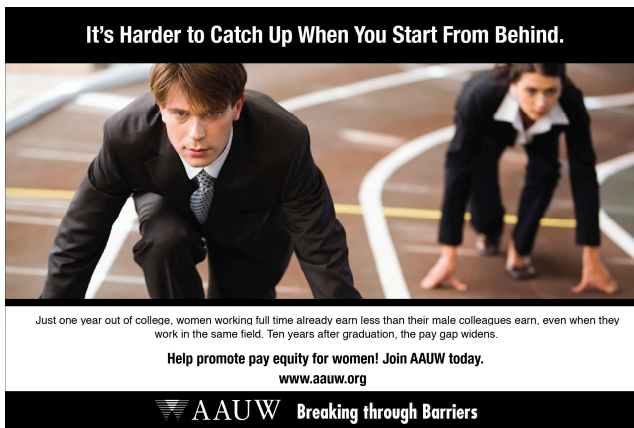

**AAUW Notes**

**WOMEN IN COMMUNITY COLLEGES: ACCESS TO SUCCESS** is the latest research report from AAUW. Released May 9, the report shows how community colleges are helping student mothers and women in nontraditional careers — and how we can help these schools do even more for women.

**AAUW'S STANCE ON GUN VIOLENCE** has been the subject of members' questions. We have endorsed a resolution supporting "gun violence prevention" efforts but didn't include "gun control." AAUW is focused on bringing bullying, harassment, and school climates into the discussion.

**50TH ANNIVERSARY OF THE EQUAL PAY ACT is June 10.** Amazing things were accomplished this year, but the job is not done! We are called to contact our legislators and the administration in Washington, D.C. to call attention to the need for legislative and executive action to address the pay gap.

**AAUW HAS WON NATIONAL AWARDS:** our blog won an award for media innovation, and *Outlook* magazine won an award for the Spring/Summer 2012 issue, celebrating the 40th anniversary of Title IX. The 2013 EXCEL awards are from Association Media and Publishing.
