## A Note from Gloria Blackwell, CEO of AAUW

"I write to you today with conviction and resolve, even though for the second time, our country has decided it wasn't ready to have a highly qualified woman hold our nation's highest office. I am grateful for everyone who stood up and used their voices for the rights of women and girls.

"It is AAUW's commitment to gender equity that allows me to write to you today with this clear-eyed promise: We will persist.

"Here's the bottom line: Our strength comes from our collective voice, and together we will continue the work to support women's education and economic empowerment.

"Thank you for standing with us.

"In solidarity,  
Gloria L. Blackwell  
Chief Executive Officer"
